

FORD TRANSIT

Rugged, durable and safe.

Work hard, look stylish and stay safe. The AluRack features a rear roller, which makes it safe and easy to load bulky sheets of plywood, drywall, pipe and even weekend toys from the back of the van. The rugged and durable design can carry all of your cargo and withstand challenging weather conditions.

Plus, ask a sales associate about adding our optional rear door access ladder shown in this example for easy access to cargo.

Images shown are for illustrative purposes only. Actual colors, finishes, and/or vehicle mounting hardware may vary depending on the vehicle and product model selected

Rear Roller makes loading and unloading easy

Improve productivity – Easily unload and load cargo with assistance from the standard rear roller.

Rugged and durable anodized aluminum enhances vehicle's professional image.

Search term "Ford Transit AluRack" to find more information.

Maintain vehicle warranty and resale value with no holes to drill.

Provides the most versatile way to transport your cargo.
